COLOR CHANGE

The leaves are not the only things changing colors this season! Stokke has just introduced two new jewel-toned Style Kits for their luxury strollers inspired by the vivid beauty of nature. The Burgundy and Olive hues are a fun way to match your Stokke® Xplory®, Stokke® Crusi™ and Stokke® Trailz™ to the sophisticated mood of fall. —*stokke.com*

ON THE SCENE

THE PIPA

This chic collaboration combines the award-winning safety features of the Nuna® PIPA™ with the modern design aesthetic of Stokke® that parents love.

PHOTOGRAPHY COURTESY OF STOKKE

HOT AND COLD

Smart fabric keeps Minis cool in warmer temperatures and cozy in cooler climates.

LIGHTWEIGHT

PIPA™ is ergonomic and lightweight, totaling just 10.5 pounds.

OFF BASE

Can be used with a vehicle's seat belt without the use of a base.

PICK-ME-UP

Aluminum handle bar makes carrying easy.

SAFETY FIRST

5-Point harness keeps little ones safe and secure.

EASY INSTALL

The base's green-for-go safety indicators, steel stability leg and "True lock" installation system make it a breeze to set up.

BEST FRIENDS

PIPA™ attaches to all Stokke strollers—no adaptors needed.

RIGHT NOW WE'RE LOVING

The FeverFrida from the creator of the NoseFrida allows parents to monitor baby's real-time temperature. You will also receive alerts when it begins to rise! —fridababy.com

MINI FAVORITE GADGET

MEET
KINSA

The sick season is here! Enter our favorite new gadget, the Kinsa Smart Thermometer. The smart tool plugs into your headphone jack for quick and accurate readings in 10 seconds—great for squirmy kids! You can also connect with the free Kinsa app to track temperatures, symptoms and medications for each of your Minis. —kinsahealth.com

RIGHT NOW WE'RE LOVING

The Track N Treat app from **Glympse** to keep tabs on your Minis this Halloween night! The free app allows parents to track a child's movements in real-time, share their location with others, while also maintaining privacy by establishing exactly who is allowed to view their whereabouts and for how long. Available October 15 for Android and iOS.
