Worms

Written by Bernard Friot and illustrated by Aurélie Guillerey, Kids Can Press, \$17 (AGES 4-7)

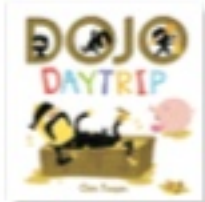

John-Paul is bored at his dad's dinner party, so he decides to help out in the kitchen and add a special garnish to everyone's salad: Worms! It's a hilariously gross tale.

Loula and Mister the Monster

Written and illustrated by Anne Vileneuve, Kids Can Press, \$19 (AGES 3-7)

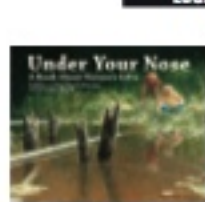

Loula adores her dog, Mister, so when her mom says she "can't live with that monster," Loula tries to turn him into the perfect pet before he gets the boot.

Dojo Daytrip

Written and illustrated by Chris Tougas, Owlkids, \$17 (AGES 3-7)

The little ninjas from Dojo Daycare are back, but this time they're taking a field trip to the farm. They get pretty rowdy, but eventually remember their creed of always helping someone in need.

Under Your Nose

Chloe and Zachary's tablets die at the cottage, so Gramps shows them how much fun they can have outside in the woods.

Minrs
